There are also several buses that travel near to or past the Leap studio; First services 25 and 26 return to the Eliot Road depot that is only 30m from the Leap studio under the railway bridge. Western Greyhound services 525 (towards Par) and 529 (towards Bodmin) travel past the Leap studio. Mention Capitol Bingo to the driver and he should be able to tell you when to alight.

By foot, horse, bike, any way you like. These are more preferable, but we know for ease time and other meetings this might not be viable, it's just an option.
